About MRO Shakti Bharat

MRO Shakti Bharat 2027 is a focused platform bringing together the Aerospace, Defence and Aviation MRO ecosystem to accelerate India's journey towards becoming a globally competitive Maintenance, Repair and Overhaul (MRO) hub.

As India's aviation fleet expands and defence forces increasingly focus on operational readiness, indigenous capability and lifecycle support, the demand for advanced MRO infrastructure, technologies, components, skilled manpower and global partnerships is growing rapidly.

Government initiatives including 100% FDI through the automatic route for aircraft MRO and a uniform 5% IGST on eligible imported aircraft parts, components, testing equipment and tools—are strengthening the sector's investment and business environment.

MRO Shakti Bharat 2027 will showcase the complete MRO value chain, covering aircraft and helicopter maintenance, engines, airframes, avionics, components, line and base maintenance, repair technologies, inspection and testing, tooling, digital MRO, training and lifecycle support for both civil and defence platforms.

The event will provide a high-value B2B, B2G and knowledge-sharing platform connecting MRO service providers, OEMs, defence PSUs, airlines, armed forces, airports, aviation operators, component manufacturers, technology companies, MSMEs, startups, training institutions and government stakeholders.

With India targeting greater self-reliance in maintenance and lifecycle support, MRO Shakti Bharat 2027 aims to connect capability with opportunity, technology with requirements, and Indian industry with global MRO markets—supporting the vision of Aatmanirbhar Bharat and Viksit Bharat 2047.

Why To Participate

Connect with Key Decision-Makers – Meet senior representatives from airlines, armed forces, defence organisations, OEMs, MRO companies, airports, PSUs and government agencies. Showcase MRO Capabilities – Demonstrate your latest technologies, products, services, equipment and solutions across the aviation and defence MRO ecosystem.

Generate New Business Opportunities – Explore B2B, B2G and institutional opportunities for contracts, partnerships, procurement and technology collaboration.

Access the Growing Indian MRO Market – Position your company in one of the world's fastest-growing aviation and aerospace markets and tap into emerging maintenance and lifecycle-support requirements.

Build Strategic Partnerships – Connect with OEMs, technology providers, component manufacturers, service providers, MSMEs and global MRO players.

Support Aatmanirbhar Bharat – Participate in India's drive towards indigenous MRO capabilities, local manufacturing, repair, overhaul and lifecycle support.

Explore Defence MRO Opportunities – Engage with the Armed Forces, DPSUs and defence ecosystem for maintenance, upgrades, spares, repair and lifecycle-support requirements.

Discover New Technologies – Gain exposure to digital MRO, predictive maintenance, AI, robotics, advanced inspection, testing and next-generation maintenance technologies.

Enhance Brand Visibility – Strengthen your presence before a targeted audience of aviation, aerospace and defence professionals, buyers and industry leaders.

Network, Learn & Collaborate – Participate in conferences, technical sessions and industry interactions to exchange knowledge, understand market trends and identify future opportunities.

Exhibitor Profile

Aircraft & Helicopter MRO

CompaniesAero-Engine & Powerplant MRO

Aircraft Components & Parts

Avionics & Aerospace Electronics

Defence MRO & Lifecycle Support

OEMs & Tier Suppliers

MRO Equipment & Ground Support Equipment

Testing, Inspection & NDT

Digital MRO & Smart Maintenance

Advanced Manufacturing & Component Repair

Spare Parts & Aviation Supply Chain

Aircraft Interiors & Cabin Systems

Safety, Certification & Airworthiness

MRO Training & Skill Development

Aerospace & Defence MSMEs

Startups & Technology Innovators

Research & R&D Organisations

Maintenance Software & Data Solutions

Logistics & Inventory Management

Engineering & Technical Services

Visitor Profile

Armed Forces & Defence Organisations

Airlines & Aircraft Operators

Defence PSUs & Government Agencies

Aircraft & Helicopter Manufacturers

MRO Service Providers

OEMs & Tier-1/Tier-2 Suppliers

Airports & Airport Operators

Aviation & Aerospace Companies

Aero-Engine & Component Manufacturers

Avionics & Electronics Companies

Aircraft Leasing & Asset Management
Companies

Ground Support & Maintenance Equipment
Buyers

Aviation Regulators & Certification
Authorities

Procurement & Supply Chain Professionals

Engineering & Technical Services Companies

MSMEs & Startups

R&D and Research Institutions

Training & Skill Development Institutions

Investors & Financial Institutions

Consultants & Industry Experts

Importers, Exporters & Distributors

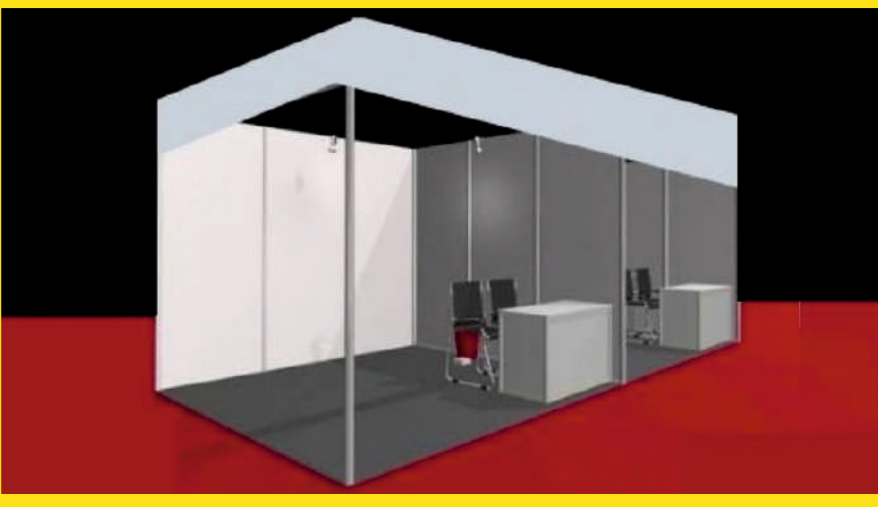

Government & Policy Makers

Defence & Aviation Academies

Media & Industry Associations

Participation Details

Standard Walk On

Showcase Launch Demonstrate

Facilities

- 1 Table
- 2 Chairs
- 3 Spotlight
- 1 Power Socket
- Tea/Coffee
- Lunch for 2 Pax

Premium Walk On

Facilities

- 1 Table
- 2 Chairs
- 3 Spotlight
- 1 Power Socket
- Flex Posters for 3 walls
- Tea/Coffee
- Lunch for 2 Pax

Bare Space

Facilities

- 1 Power Socket for 9 Sqr Mtr Each
- Electricity as per requirement
- Tea/Coffee
- Lunch for 4 Pax

Awards Categories

Recognition of Excellence

MRO Excellence Award

Recognizes excellence in maintenance, repair and overhaul services across aviation and defence.

Aviation MRO Innovation Award

Honours innovative technologies and digital transformation in MRO.

Defence MRO Excellence Award

Recognizes organizations supporting defence readiness through advanced maintenance capabilities.

Emerging Startup of the Year Award

For promising startups in the MRO sector. MSME Excellence Award

MSME Excellence Award

For outstanding MSMEs supporting the MRO ecosystem.

Women Leader in MRO Award

Honours exceptional women professionals in the MRO industry.

Lifetime Achievement Award

Recognizes distinguished lifetime contributions to the MRO sector.

About Organizer

Trade Promotion Council for Geospatial and Space Industry (TPCGSI) is the not-for-profit apex body representing the interests of Geospatial, Space, Unmanned Systems and Aerospace industries in India and works towards the advancement of these technologies and its applications. TPCGSI is a very strong platform for exchanging ideas, techniques, approaches, and experiences by those who design, implement, and use these technologies and solutions. The Major objective of TPCGSI is to accelerate the adoption of Geospatial, Space, Unmanned Systems and Aerospace industries in India and to ensure that government, industry, academia, and society as a whole understand both the needs of this industry and its contribution to the nation's development.
